THE WINE MENU

Gertrude – A sweet and flavourful wine from the vineyards of Begridknowes. A pungent scent of tram, subtly blended with the cherry-blossom-infused essence of a blossom-eating horse named Gertrude, for that unforgettable finish. There's Nay better.

Vermintino – A robust wine from grapes grown on the mountainous slopes of The Cauldron. Aged in barrels under the Citadel, where they are *attended* by the local rodent population for that slightly nutty twang on the palette.

Tempernillo – A forceful red, from the Thysden Hyde region. Grown in small batches, the grapes are belittled by an angry man, who oozes scorn on them throughout the growing season. This nurtures the rich, emotional depths of this complex, hard to restrain wine.

Muskyday – A delightfully sweet dessert wine, made from carefully selected fruit; sun-ripened and left on the vine for longer. Handpicked and squeezed under the armpits of local youths. Deodorant-free, for the exquisite aroma of black pepper and locker-room.
